Re: Transfer of Crescent Creek #3 Mine, S/017/024, Garfield County, Utah

Dear Mr. Ekker:

Thank you for submitting the 1993 annual report for the Crescent Creek #3 mine and also you note requesting that we take your name off this file. Enclosed please find a transfer form which you and the new operator will need to complete. You have been the responsible party for this mining project, as you signed the original notice submitted to the BLM and you have always been the one to submit the annual reports each year.

After we have received the completed transfer form, we will, at that time, transfer the mining permit from your name to the new operator.

Thank you.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
